

## Payment Information

My prices are suggested. The initial consultation is free. After that each individual session is \$80 per session (30-45 minutes) or \$220 for a package of three. Again, these are my suggested prices and you're invited to pay what you can afford.

You can schedule sessions through my online calendar on my website. If you don't see a time that works for you, please let me know and I can open up some other times.

Please indicate your plans regarding payment:

I will be paying \$60 for each individual session

I will be paying \$150 for a package of three sessions

I will be paying a different amount:

PayPal: @amyhenegar

Venmo: @amy-henegar

Zelle: amyebh@gmail.com

Please always send me an email so that I can confirm that I received your payment. If you would like to use another form of payment just let me know.

Thank you!

Amy Bost Henegar, D.Min.
